Uniforms

Prospects Baseball supplies each player with the highest quality uniforms. We will provide each player with a new hat, practice shirt, and jersey. Players are expected to supply the following items themselves: white pants (no piping needed), navy socks, navy belt, and navy undershirt. We collect all jerseys at the end of the season.

Parent and Player Cooperation

Parents are expected to help facilitate player growth throughout the summer by getting players to events on time, providing proper nutrition and rest, and supporting coaches over the course of the summer.

We appreciate that you have decided to play for Prospects Baseball because of our great coaching staff and the direction we try to provide to aspiring athletes. Having parental support makes all the difference between player growth and players being uncoachable. Typically players who are uncoachable stem from families who are not open to doing things in a different way. In baseball, there is not one specific way to do anything in this game, so we will try to provide players with a variety of methods for success.

This summer we will be teaching players in game strategy, proper fundamentals and mechanics, nutrition tips and facts, physical training methods and as many other ways as we can to prepare for success. The more support we can garner from parents the stronger our program will be. Thank you for your help this summer!

Volunteerism

Prospects Baseball will be asking parents to sign up to help out from time to time. We will send out an online form for families to sign up for prior to the start of the season. This are volunteer opportunities and your assistance is greatly appreciated.

- I. Team parent/Coaches Assistant
 - A. Responsibilities would include:
 1. Team emergency contact (if last minute changes occur and coach is unable to communicate to the masses)
 2. Team contact list and driver organization
 3. Organizing one team BBQ on a home game
- II. Refreshments for game days & Ice (coaches can provide a large cooler)
